Dear Mr. Clayton:

RE: Leo Eisenberg's Property, North Kansas City, Missouri

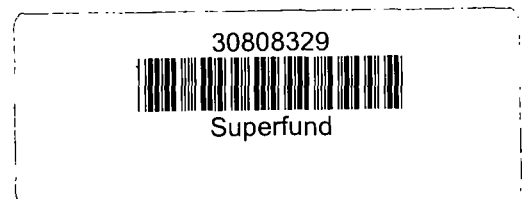

The U.S. Environmental Protection Agency (EPA) has reviewed the data and information provided in Browning and Associates, Inc.'s submittal of July 29, 1996 to you. We have also discussed this site with the Missouri Department of Natural Resources (MDNR). The MDNR reports that this site has been entered into their voluntary cleanup program (VCP), and that MDNR is addressing this site under their VCP.

Therefore, further action by the EPA Superfund program on this site does not appear to be warranted. We have submitted the enclosed form which reflects these developments.

Please contact me at (913) 551-7702 if there are any questions of the EPA Superfund program on this site.

Sincerely
